The children are pleased with their new playground equipment. 'Playground Pals' are enjoying the

responsibility of organising the games each day.

Well done to Joshua, Eva, Ellis and Sophie who completed

their 'Mini-Whistler' training this morning. They are now equipped to organise and referee games activities with the younger children.

Miss Dowling's class organised a cake sale in order to raise money to contribute to the cost of their school trip to Eyam next week. This has been

planned to help really consolidate the children's learning about 'The Great Plague'.

Thank you for your support and generosity!

A Street Party Picnic Lunch is organised for Thursday lunchtime to celebrate the Royal wedding.

Please make sure a lunch is ordered if your child would like a party picnic lunch.

Stars of the Week

Nursery – **Grace** for 'settling in' really well and joining in all the activities in the Nursery
