Dear Fran,

I would like to take this opportunity to congratulate you and your team on the positive outcomes for your children in the summer 2017 Key Stage 2 tests.

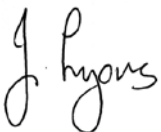

Results have shown that your school on average has positive progress scores in the areas of reading and writing and maths which is an impressive achievement. This is particularly gratifying with regard to the outcomes of disadvantaged pupils.

This is a testament to the hard work of you, your staff and your governors and your continuing commitment to giving your children the best possible start in life. The achievement is particularly noteworthy in a time of educational change, and demonstrates a strong drive to achieving the highest possible standards and improving outcomes.

I look forward to working with you in the coming academic year to build on this platform and to achieve further success.

Please accept my sincere thanks for your contribution to the children and families in the city and I look forward to continuing to work in close partnership with you.

Yours sincerely

Dr Jo Lyons  
Assistant Director  
Families, Children and Learning (Education & Skills)
