SIXTH FORM FRIENDSHIP GROUP NEWS

I like going to the social club with my friends and drawing pictures there.
Rebecca

I like the friendship because we go to the games club in Welton and we play pool there, I like going to Haltemprice, I liked the old peoples home and showed them my City of Culture calendar and I like everything in the friendship group.

St. Anne's friendship group is grate because it is good and awesome, also being at St. Anne's School friendship is better than ever and going outdoors for doing friendship group we go to the place in haltonprize because to talk about our life's and I like maths and art. Friendship group is lots of fun and enjoyable. St. Anne's is a good place to go.
