

Parents always welcome at our Tuesday Assembly, led by Rev'd Liz Paxton, each week at 9.05 in the hall.

Dear parents/carers,

A huge thankyou to everyone who has signed onto ParentPay. We appreciate that some of you are having glitches with the system; for that we apologise, but I know that the majority are really pleased.

If you require more assistance please contact the office and speak with Mrs Moore or Mrs Smart; they will both be pleased to give a tutorial!

Wedding of the Year!

Never mind the Royal wedding... Year 1 have taken the limelight this week, with their own wedding. The pupils have researched the roles, talked about the ceremony and the words used and the kitchen staff have made them a special cake. Well done to all involved!

SATs Week in KS2

Well done to all the Year 6 children who applied themselves with immense focus and application during their week of testing. Also thanks to all staff who prepared the children so well. We had an unannounced visit during the week from an Essex County Council Inspector who found the school's SATs arrangements to be exemplary.

Reminder : PTA / Friends meeting, Friday 25th May, school library, straight after school. **All welcome.** Summer Fayre and Fathers Day to discuss!

People who help us...

Thank you to all the adults who have come into school over the last few days to help our Reception children with their topic of *People who help us*. School Governor Selina Davies talked to the children about the RSPCA, and Chris Gordon Wilson talked about his role as an ambulance technician. Well done to the children on their super listening skills!

Royal Wedding Picnic...

To mark the wedding of Prince Harry to Meghan Markle, children and staff gathered on the field at lunchtime for a right royal feast!! Dressed in their red, white and blue, children celebrated in style.

Father's Day Breakfast

We are holding a special Fathers Day celebration breakfast on Thursday 14th & Friday 15th June between 8.00 and 9.00 am.

90 spaces are available for each day and are available to book and pay on ParentPay.

NO CHOCOLATE!!!

We have recently noticed an increase in the number of children bringing in sweets and chocolate bars as part of packed lunch. As a school committed to healthy eating we would prefer to see these items replaced by fruit and vegetables.

Thank you for your support in this matter.
