

This half term our theme has been 'Growing' and we had some caterpillars in Nursery. We were so excited watching them grow into very big caterpillars but then suddenly they wrapped themselves up in cocoons. We waited and waited. In the meantime, we learnt all about the 'Very Hungry Caterpillar' and had lots of fun acting out the story, going on a story hunt, making caterpillar masks and painting butterflies. Eventually after what seemed like such a long time..... we arrived at Nursery to find that the cocoons had changed into beautiful butterflies. We had been learning a song about caterpillars and butterflies so one sunny day, we all went outside sang our song and the butterflies flew off into the garden. The Teachers had to help some of the butterflies to fly off. It was so exciting and we all clapped and cheered.

Look at the display, which shows some of the wonderful work we have been doing.
