

Our Lady of Mount Carmel

Catholic Primary School

Dear Parents,

During the course of the year, we have photographs published in the local press and occasionally in other promotional materials. We may also video some of our school events, but only for use within school and to show parents.

We need to ask parents' permission to use photographs/video footage, some of which may have the children's names attached.

Also during the course of the school year there are several occasions when the children may be required to go out of school when following certain school topics. Much of our history and geography is based in and around Wincanton.

Rather than ask for separate permission slips for each time they need to go out, we thought it would be far more sensible to ask you to sign one form to give your permission for your child to go on a local visit whenever necessary.

Obviously the children will be supervised in accordance with Somerset County regulations and this does not relate to any visits requiring coach travel or contributions from parents, these will be dealt with separately.

Please sign the attached slips if you agree for your child's photograph/video footage to be used in this way and for your child to out on supervised local visits. Please use a separate sheet for each child.

Yours sincerely,

Danuta Girton, Acting Headteacher
