## Sports Afternoon – Friday 15<sup>th</sup> June (weather permitting)

Come and join us at St Peter's sports field for our annual sports afternoon!

Races will begin at approximately 1.30 pm and we aim to finish in time for 3pm.

## Sun Safety

This Friday, May 25<sup>th</sup>, is our fourth annual Sun Safe day when there will be a whole-school focus on educating the children about keeping safe in the sun. Children are invited to bring a donation of £1 or more to come to school dressed in their summer clothes and will spend the day learning about how to safeguard themselves from the sun's harmful rays at playtimes and during outdoor PE lessons. Don't forget to keep yourself safe in the sun: sun cream, sun hats and sunglasses please!

## Other Summer Term Necessities

In addition to providing a sun hat and sun cream, please ensure that your child has a named plastic water bottle in school so that they have something to drink from during the day. At this time of the year especially, children can get very hot and thirsty at playtime and during PE lessons.

A showerproof coat is always necessary for school too, even in summer, since classes are often out and about in the village and the weather can be changeable.

## Diary Dates

### Friday 25<sup>th</sup> May

Sun Safe Day

Last day of Term 5, 2018

### Monday 4<sup>th</sup> June

Back to school for Term 6

### Friday 15<sup>th</sup> June 1.30 pm

Back to school for  
Autumn Term 1, 2018  
(INSET Mon 3<sup>rd</sup>)

## School Uniform

Please find attached a copy of our recently-updated policy on school uniform. To avoid confusion, it would be greatly appreciated if parents could familiarise themselves with this before purchasing new uniform for the autumn term.

Please also help Mrs Knowles by sending in any orders for next year's school uniform as soon as possible. An order form is attached for your convenience.

## General Data Protection Regulation (GDPR)

Providing accessible information about the use of personal information (data) is a key element of the new General Data Protection Regulation (GDPR) and sets a legal framework with which we must comply. As a school, we are both data controllers and data processors and therefore have a duty to inform pupils, staff and parents how we process data that is within our control. We do this through our privacy notice, which is attached for your information. Please complete and return the green privacy consent form as soon as possible. Thank you very much.

## Playground Safety

Please help us to keep everyone safe by ensuring that children coming to school on bikes or scooters do not ride or scoot on the playground. Scooters and bikes should be pushed from/to the pavement outside the gate. Please also ensure that your children wait sensibly beside you on the playground until staff open the doors to let the children in. Thank you very much for your anticipated co-operation in helping to keep our playground a safe place to be.

## Text-Messaging Service

Just a reminder that our subscription to the text-messaging service to parents ends on Friday 25<sup>th</sup> May. After this date, all messages will be sent via our NethersealPS app, which is available to download free from Google Play or from the App Store.

## Attendance

Detailed information about attendance has recently been added to the School Information area of our web site. The categories of authorised & unauthorised absence are explained, plus there is updated information about the school's policy on absence from school for the purpose of a family holiday during term time.

## May Celebrations

Thank you for supporting our May celebrations. The weather was kind to us this year, which made a very pleasant change!
