Monday 21st May 2018

Dear parent(s)/carer

This year we are taking part in '30 Days Wild' which is a month long nature challenge organised by 'The Wildlife Trusts'.

We are asking the children to do something outdoors or connected with nature **every day in the month of June** and we would like you to be involved too. This is what we are doing.

- Your child has a recording sheet so that school/parents can record the wild activities the children take part in. This could be our daily challenge or something else that is connected with nature. (Please leave the sheet in your child's book bag)
- In school we will put on display a 'Daily Challenge' and these will also be on our school website.
- We are making a nature table. Please encourage your child to bring in things for this.
- At the end of the month of June every child who took part will get a special sticker and children who do 30 different 'wild things' will receive a certificate.
- The challenges for the first days in June are listed below

1st June – Feel the wild between the toes – squelch your toes in grass, sand or mud.

2nd June – Look up at the clouds – What shapes can you see?

3rd June – Find a creepy crawly – be gentle. Get close and watch the way it moves.

4th June – Thread a daisy chain – pick daisies and thread their stems together.

This is the first year we have taken part in this, so if you are not sure about anything, please ask.

Here's looking forward to a really wild June!

Mrs Moss and Mr Wharton
