Friday 11th May 2018

Thursday – Dress Royal Day!

On **Thursday 17th May**, we are inviting children to come dressed in their Wedding attire to get us in the mood for the Royal Wedding of Prince Harry and Meghan Markle which takes place next weekend. Children can dress up as princes and princesses or wear their best clothes as though they are going to a wedding.

At lunchtime we will have a posh picnic on the field (please ensure that you have placed your order with the office and paid online). **All** payments must be made via the Teachers2parents School Money app OR via pay point machines which are situated at various establishments. If you require your child's login details, passwords or pay point barcodes, please contact the school office direct.

During the day, we will be learning about this significant National event which is celebrated all over the world as well as learning about the monarchy and what they do.

Invitation

Our Reception parents are invited to come and play with your child at the official opening of the new Reception Outdoor Learning Space on **Tuesday 15th May at 2pm**. The space has been developed to promote Physical Development – climbing, digging, pulling, pushing, riding...all things which help to coordinate young brains to help them to become better writers. We have invited the local Councillors and the local press. We hope to see you there. Entrance through the main playground. The children look forward to showing you around!

Chickens

Our new Reception Outdoor Learning Space now has a coop and two hens thanks to Mrs Rickerby's mum and dad. They are already laying eggs and the children will be using them to make buns on Monday! 😊

Learning the ukulele

Congratulations to Y3 Poplar who performed for their first audience yesterday. They were tremendous! Thank you to Mr Spalding our music teacher.
