

Dear Parents

Due to on going rising food prices we have unfortunately had to raise the cost of a school lunch to £2.30 from September 2018. We have held the price down for as long as possible, but the increase has become necessary to cover outgoing costs. This price rise will bring us in line with other schools in the area.

On 25<sup>th</sup> May 2018, the General Data Protection Regulation (GDPR) will replace the Data Protection Act 1998.

As a school we hold a lot of information (data) about our pupils which we have always treated with great care, in accordance with the requirements of the Data Protection Act. It is vitally important that this private, and sometimes sensitive information is only passed on when there is a legal requirement to do so, such as the school census.

In practice, our processes and systems for handling personal data will change very little as we already treat it with great care. However, the new GDPR does require organisations, including schools, to clearly inform anyone whose data they hold what it is used for and who it is shared with. We have therefore prepared an updated Privacy Notice available on the school website [www.stjohnofbeverleyrprimary.org.uk](http://www.stjohnofbeverleyrprimary.org.uk) under the Parent Information Heading - Policies. This Privacy Notice is also available in hard copy format from the school office.

To learn more about GDPR, please visit the Information Commissioner's Office website on <http://ico.org.uk>
