### Letter to Parents/Carers - Fundraising and Marketing

Dear Parents/Carers

We are writing to seek your consent to be contacted by Greasby Junior School or other organisations such as Greasby Junior School Parents' Association.

Greasby Junior School has a fundraising association, the PA, who wish to communicate with parents about future events for the school. This is to promote the sense of community we have between the school and everyone associated with it, including parents, staff and pupils.

Greasby Junior School will provide:

- updates through its PA about upcoming events and meetings.
- details about school clubs including information about local sports clubs.
- details on uniforms and other marketing information such as information on local secondary schools.
- useful medical information from the NHS in school such as vaccination information and heights and weights.

We would like to seek your consent (as set out above) and will respect your decision moving forward. This consent will remain valid throughout your child's time at the school.

You can withdraw your consent at any time and can do so by writing to the Headteacher asking to stop sending further communications. Please note that if you do not consent then you may not receive vital details from the school and/or the other associations about the information set out above. Please note that this does not cover providing you with information that we are legally entitled to notify you of, such as information concerning the progress of your child, closures of the school, etc.

To confirm that you consent to this please complete and return the form attached to your child's class teacher.

Yours sincerely

Mr A Martin  
Headteacher
