ROYAL WEDDING CELEBRATIONS

We celebrated the Royal Wedding in style! Children in Year 5 acted out a wedding, complete with Meghan and Harry masks. A special 'street party' lunch was served in the playground on Thursday and the school and grounds were decorated with bunting. All the children wore special crowns and waved their union jack flags while enjoying a lunch fit for a Prince. Everyone dusted off their wedding outfits and came to school dressed to attend a wedding. School held a 'Design and make your own wedding hat' competition and prizes were given to the most innovative and imaginative. Our Simply Scrumptious after school cookery club prepared a special afternoon tea for our parishioners. They, along with the Mayor of the Ribble Valley, were waited on by the children and served delicious delicacies and dainties.
