

Class News

Spring has finally sprung – we think! We have been trying to make the most of the sunshine in between the showers and we are hoping to get out and about around the lovely school grounds as much as possible this term. The term 3 timetable reflects this, as we plan to do less cookery and use that time to go on a bear hunt around the sensory garden, weather permitting of course. *Please can you send in a small bottle of sun cream for your child that we can keep and use in school.* We will also be busy rehearsing for the 50th year spring concert and we are pleased that so many of you will be able to come and watch us in action.

In the photos below: Erin, Mia and Ava are engaging with the actors from the wonderful Replay Theatre Company when they came in to trial their new show for under 7's; Jessica is playing with some giant mini beasts; Tessa is using her walking frame to access the white board during hello time; and Jamie and Heidi are enjoying the vibrations of pull-back trucks whilst making tyre track paintings.

Coming up...

May holidays – Monday 7th May, Monday 28th and Tuesday 29th May (Not Friday as first listed)

Ulster Orchestra dedicates a full morning to Multi Sensory dept. – Wednesday 9th May

Spring Concert – Wednesday 23rd May
