Dear Parent/Carer,

New Privacy Notice

As you are most probably aware, new regulations regarding data protection came into force on 25th May. These new laws, known as General Data Protection Regulations or (GDPR), govern the data we collect and how we use and store it.

As part of these new laws we have had to produce a new 'Privacy Notice for Pupils' to comply with the changes and have attached your child's copy to this letter. Please keep this information safe for future reference.

In future a new copy of this privacy notice will be issued for your child at the start of September or as and when any amendments are made. The privacy notice will also be made available on the school website.

New specific consent forms will be issued shortly for photographs, media and the school website. Please look out for them.

If you need any further information please do not hesitate to contact Mrs. Penn in the School Office.

Yours sincerely,

HN Faulkner
