

Monday 4th June 2018

Year 2 Summer Newsletter

This half term our topic is The Great Fire of London. We will be learning all about the historical event and how the fire spread in London. We will also be learning all about castles and the purpose of castles. We will be carrying out research about castles in the UK and even designing our own castles collaboratively in groups.

Fund Money

Please note that fund money continues into Year 2. We ask for **£1 a week** to contribute to buying healthy snacks and alternatives to fruit.

If your child attends an after school club they should continue to bring a healthy snack. Please support our Healthy School policy and provide a healthy snack such as fruit or cereal bar, rather than crisps or chocolate.

Thank you

Miss Alexander, Mrs Faulkner & Mrs Henderson

Things to remember:

- A water bottle needs to be in school every day.
- On warmer days please ensure children are wearing sun cream and they can bring their own **labelled** sun cream to reapply before lunchtime.
- A PE kit needs to be left in school every day including t-shirt, shorts and pumps.
- Home readers are changed daily – please send bags even if book does not need to be changed. If you think your child has achieved the Home Reader Rewards please inform the class teacher.
- Continue to bring spelling books into school daily and continue to practise these spellings at home.

Trip to Tamworth Castle

As you will be aware we will be visiting Tamworth Castle **on Friday 29th June** to support our work on castles. Thank you for the letters and money we have received so far. If we haven't had this yet, please try to remember to hand this in. If there is a problem please let us know. Without the letters the children will be unable to come on the trip.

Additionally, we will need some parent volunteers for the day. If you think you could help please speak to the class teacher.
