What have we been learning in Key Stage 1...?

Wagtails have been finding out about space, what each planet is like and why we couldn't live there.

Finleigh- "I can't live on the moon because there is no water!"

Verity- "I can't live on Mars because it is very dusty!"

Chelsea- "I can't live on Saturn because it might make me dizzy!"

Isabel- "I can't live on Neptune because it is too windy!"

In English we have been listening to lots of space stories, this week we started to plan our own stories. We designed and made our own made up planet and then wrote about what it is like on our planet.

Ella- My planet is called Fantasy. My planet is hot. My Planet has lava. My planet is made of rocks.

Caelen- My planet is called Caelentune. My planet is tiny. My planet has plutonium on it. My planet is made of iron.

Lilly- Ann- My planet is called LillyHappy. My planet is full of pretty flowers. My planet has big balloons. My planet is made of green grass.

In Maths we have been thinking about halving shapes and objects- **What can you half at home?** Remember a half, is "one of 2 equal parts".

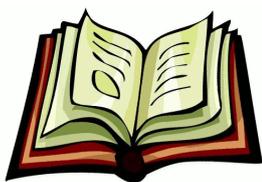

Woodpeckers have also been learning about space and they now know all the names of the planets and their order from the Sun. In English they have found out all about Tim Peake and Neil Armstrong, carrying out their own research on the computers. In science they have been finding out about rocks and soils, and have made their own fossils.

Jack - "I like learning about the planets because I knew lots about them but not as much as I do now."

Lizzie - "I like learning about Tim Peake because I didn't know anything about him and now I know a lot."

Isabel - "I didn't know there were so many types of rocks and what they felt like."

We're all looking forward to our trip to the Space Centre next week!

Reading idea of the week:

Our learning logs task this week is to try some 'extreme reading'! See how creative you can be with your ideas.

Dates for your diary...

21st May

Mount Cook meeting 6pm

22nd May

National Space Centre visit

25th May

Robins' class assembly 2.30pm

TERM 5 ENDS

4th June

School opens – Term 6

13th June

Year 5/6 residential – Mount Cook

Sports News...

Our super netball team travelled all the way to Sponne school in Towcester to compete in the Daventry netball finals on Thursday afternoon. As well as playing some great netball, they managed to fit in a party tea for Issac, who was celebrating his birthday, as well as the end of his SATs!

SATs Superstars!!!

A HUGE well done to all of our year 6 pupils, who have completed their end of key stage assessments (SATs) this week. They have ended the week with a very well-deserved party, after working so hard all week. They should all be very proud of themselves.

Don't forget to check our website regularly at www.wsses.com. New content is added regularly, and you can find diary dates, information about uniform, snack, the Cool Milk scheme, school dinners and pupil premium, as well as resources, news and photos on the class pages.
