

Ofsted and the Care Quality Commission (CQC)  
announce joint SEN inspection of  
London Borough of Redbridge local area  
11-15 June 2018

The 2 areas the teams will focus on are:

- How well the local area identifies and assesses the needs of children and young people who have special educational needs and/or disabilities
- How well it meets the needs of these children and young people so that their outcomes and chances of participating fully in society improve.

### How Parents & Carers Can Have Their Voice Heard

The inspection will also include an online webinar to allow other parents and carers in the London Borough of Redbridge area to contribute. The session will be led by Brian Oppenheim, Her Majesty's Inspector, who will ask parents and carers about their views and experiences on how effectively the London Borough of Redbridge local area is fulfilling the above responsibilities.

The webinar will be on 10am on Friday 8th June.

### Time Period Covered By The Inspection

From September 2014

#### *Message from Inspectors*

*While we understand that many parents and carers may have views on their experience that extend before the implementation of the reforms in September 2014, it is important that this date is used as the start for gathering evidence about the impact of the reforms as part of our new inspections.*

*We would also like parents and carers to understand that we will not be able to follow up or comment upon individual cases.*
