

## A message from Mrs Hopley.

Happy half term! What a busy half term it has been too! From year 2 SATs to our Ofsted inspection, we have been so very proud of all of our children for the way they have conducted themselves over the last few days. Our Ofsted report and findings will be made public to parents as soon as we have received the final report. Many thanks to all those parents who took the time to speak to the inspector and respond to parent view. Can I also take this opportunity to thank all the staff who always work hard to ensure your children get the very best education they can.

Our 'Great British street party' was a huge success and 97% of families attended the event which was fantastic! We hope you enjoyed it as much as we did.

We are looking forward to welcoming you all back after half term and hope you have an enjoyable break. Next half term sees various trips, topics including 'Land Ahoy and traiders and raiders' and welcoming our new children for September for the day, as well as your children meeting their new teachers for September – it'll fly I'm sure!

## Taking photos in school

A quick note about photographs and use of mobile phones on school premises. We have a number of children who cannot have their photos taken or shared for various reasons. So as not to put any children at risk, and following guidance, we will no longer be allowing parents to take photos / videos at school events, or use mobile phones on the school premises. I am sure you all understand the importance of ensuring we safeguard all of our children and will support us in this.

## Tesco Bags of Help

Thank you to everyone who supported us with the Tesco Bags of Help by placing tokens into our box, we received a massive £2,000! This money has gone towards a new stage for the children to perform on.

## Milk

Just to let you know that from September 2018, only children under the age of five years old and those entitled to pupil premium will receive milk free of charge. This will be given to children during morning break in the form of a carton.

### Reminders

Please can you ensure that you pick up your children from after school clubs promptly. Whilst we understand the occasional unforeseen circumstance arises, we have noticed that a few parents are regularly late which is unfair on staff giving up time to run the club.

There may be a possibility of hot weather in the next few weeks so please ensure you send your child to school with sun cream, a sun hat and a labelled water bottle.

CONGRATS  
MR & MRS!

Congratulations to Miss Richens on her recent marriage. From September, she will adopting her married name of Mrs Sharp!

Well Done to
