

At Larkfields we 'Take Care' of...

Ourselfes

This week is take care of ourselves week so we are trying some new activities including the mile a day where children and staff will be doing a mile run or walk each day, children can do this in normal clothes and just need their trainers. Each class will also be doing a yoga session with our year 5 ZEN club girls and lots of safety lessons linked to water, road and electricity safety.

Our Learning

Year 6 focus:

Independent projects: Year 6 children have started their own independent projects this term - the children love that they can pick their own topic to learn about.

"We have picked the topics so we are really interested in them, we have done research so far on the computers and ipads and then we will be writing lots of different text types, including instructions, fact files, poetry, art work and lots of other stuff"

Phoebe and Alanya

The topics range from clown fish, New York, Space, The Soviet Union and many, many more.

The children will share their projects at the end of this term.

Our Learning

This unit of work we are doing:

Year 3 - The Stone Age

Year 4 - The Vikings

Year 5 - The Six Nations

Year 6 - The Victorians

This half term the whole school focus is on learning and on us flexing our resilience and resourcefulness muscles.

Last half term some of the year 6 Take Care Reps helped to interview new members of staff, they asked 4 tricky questions:

If you could be any animal what would you be and why?

If you could be a packet of crisps what flavour would you be and why?

What do you like to do in your spare time?

If you could paint the world 1 colour what would it be and why?

The reps then gave feedback on what they thought to the answers, which helped us in our selection process.

A big thank you to Harry, Elise, Daisy and Macy.

More information on this to follow in the school newsletter.
