

History

This term we shall be studying the fascinating topic of Ancient Greece, including the birth of democracy; gods and goddesses; the Ancient Greek Olympics; the battle of Marathon; The Trojan War; myths and Legends.

Religious Education

We will be looking at Christian Creeds, and comparing them with creeds of other faiths, giving pupils opportunities to reflect on their own beliefs.

Art and Design

In Art lessons, the children will learn about ancient Greek architecture, and studying the designs on Greek vases.

Physical Education

Our P.E this term will be focusing on Cricket and Athletics - and we will be holding our very own Ancient Greek-inspired Olympic games! **Please can we remind children to have their PE kits with them every day, as sometimes lessons may be moved to different days.**

Extra information!

June 8th - Cinema trip to see the epic 'Jason and the Argonauts' at Dukes at Komedia.
Date to be arranged - Ancient Greek Day, including dressing up, a Greek feast and Olympics.

Science

This term the children will be studying life cycles in humans, plants and animals.

Maths

Mental Arithmetic

PSHE

We will be looking at the changes that take place during puberty.

English

This term we shall be reading the classic tale of Odysseus, which will include:

- Descriptive writing
- Letters written in character
- Graphic novels
- Biographies
- Film scripts, leading to our own big-budget version of 'The Odyssey!'

We will continue to work through the Year 5 spelling and grammar curriculum.

Computing

In the summer term, the children will be studying how to use control technology.
