

# ESafety

## A recipe for a safer internet

Be as kind to people online as you would be to them in the playground.

Check the age restrictions of games, apps and websites. You might not be old enough!

Only post photos or videos of people if you have asked their permission first.

Keep personal information private: this includes your last name, passwords, photos and school name.

Don't meet up. Meeting someone you have only spoken to online can be dangerous. Always check with an adult you trust.

Tell someone if you feel worried or uncomfortable about something.

- W**eb - We can keep safe when exploring on the Internet
- H**onest - We can tell an adult if we have clicked on the wrong website
- I**nformation - Keep your personal information a secret
- T**ogether - We can keep safe by working together
- E**xplore - We can play games on the ipad that our grown-ups let us play
- H**elp - We can ask for help if needed
- A**sk - Always ask a grown up if the game is ok to play
- L**earning - We can learn a lot using the Internet in a safe way
- L**og on - We can log onto the computer with an adults permission
