Goodbye and Good Luck Mrs Jeffreys

I'd like to take this opportunity to wish Mrs Jeffreys the very best of luck for her maternity leave as she left our school this week. I will, of course, keep you all updated with any baby news.

Mr Duxbury has been working in school over the last couple of weeks to ensure that a smooth transition takes place.

Year 4 visit to Create and Ilkley Park

We had a fun trip to Create in Ilkley and painted our Beatrix Potter inspired plates. We carefully designed our plate in school and took our drafts to copy. We used felt tips to draw on our designs and carefully painted over the top. We have left them to go into the kiln and look forward to seeing them finished.

Thank you to the team at Create for making us feel so welcome and allowing us all to come into the workshop. We finished the rest of the trip with a picnic and games in the park. We look forward to displaying the plates at Celebration Evening.

'The best bit was painting the plates because we had to be very careful and delicate. They looked beautiful when we had finished, I'm so excited to receive it back.' Beatrix S

Bradford and Calderdale District Cricket

On Saturday 5th May I went to a trial for Bradford & Calderdale District U11's cricket team and I was really proud to be selected.

We have played 4 matches so far, the standard is really high and my cricket is really improving as the games are 40 overs each team.

My best batting score so far is 50 not out (You have to retire at 50 runs). My best bowling figures are 3 wickets for 11 runs off 5 overs.

I've really enjoyed playing cricket and I have made lots of new friends. It's very exciting as playing for this team means I have a chance of being selected for the Yorkshire County Age Group Trials.

Thursday was our last match against Cleveland which we played at Saltburn and I had to have a day off school. We won the match by 64 runs. When I was batting I stayed in for 20 overs and scored 42 runs.

I think playing for this team has made me a better cricketer.
