

Horndon-on-the-Hill C of E Primary School Consultation

The formal consultation regarding the establishment of an Academy, to be known as Horndon-on-the-Hill Church of England Primary School, will run from the (6th June 2018) to the (6th July 2018). We would like to understand your views regarding our plans for Horndon-on-the-Hill Church of England Primary School.

The Osborne Co-operative Academy Trust (formerly St Clere's Co-operative Academy Trust) will open a new Academy replacing Horndon-on-the-Hill Church of England Primary School. Our intended implementation date is (1st November 2018). The Academy will be a 3-11, publicly funded, co-educational independent, Church of England, non-selective school for local children. Our Published Admissions Number (PAN) will be 30. Our vision is to provide a first class primary school for the local community by raising standards, improving progress and attainment and developing strong stakeholder engagement. The Osborne Co-operative Academy Trust is committed to the continued development of the school's distinctive Christian ethos and will provide the capacity required to enhance the lives of the children attending the Horndon-on-the-Hill Church of England Primary School. We will achieve this transformation by developing the Co-operative values of self-help, self-responsibility, democracy, equality, equity and by sharing a sense of collective responsibility for supporting each other.

Our consultation will cover a number of areas, including our proposed admission arrangements, our curriculum and our location. Specifically, we will ask the question:

Should Osborne Co-operative Academy Trust enter into arrangements with the Secretary of State to establish and run the Academy which will be known as Horndon-on-the-Hill Church of England Primary School?

We invite you to participate in the consultation in three ways: consultation meeting, completing our consultation questionnaire and by contacting us directly.
