

# Kingfisher Collaboration of Schools

The Kingfisher Collaboration is a like-minded group of schools providing education for pupils from EYFS to Key Stage 4.

Kingfisher schools work within a spirit of partnership whilst allowing each one to maintain its own identity and ethos.

## Aims

The joint aims of the Kingfisher Collaboration as stated in our agreement are to:

- Work collaboratively and strategically to secure a high quality education for all young people in the Participating Schools;
- Promote accountability and responsibility within an ethos of support and challenge;
- Lead every member of the community to engage on a journey of continuous improvement building upon their previous best;
- Provide opportunities for economies of scale through commissioning of services and purchasing of resources;
- Share expertise, best practice and resources to ensure best value for money;
- Identify needs and best practice through the confidential sharing of data and information.

## Values

The Participating Schools shall when working together in the delivery of the Aims give full consideration to the following values:

- Child-centered - To endeavour to make every decision centered around the individual child. Decisions will be made for the benefit of the children and driven by their needs in all the Participating Schools;
- Fairness – All the Participating Schools will have equal voice and equality of opportunities for all stakeholders;
- Honesty – To work together in a climate of openness and honesty with mutual respect and trust;
- Care and empathy – To have a holistic approach to education which encompasses care and welfare for every child as well as understanding and empathy for the communities we serve;
- Drive (aspiration and challenge) – To have high expectations of young people and of each other providing opportunities to raise aspirations;
- Individuality – To recognise the distinctive ethos and celebrate the traditions of each Participating School.
