

Dear Parent/Carer

At Scotts, we sometimes take photographs/videos of pupils. We use these photos/videos in the school's prospectus, on the school's website, in the press or in any promotional material published by the school and on display boards around school.

We would like your consent to take photos/videos of your child, and use them in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

Please tick the relevant box(es) below and return this form to school.

Why are we asking for your consent again?

You may be aware that there are new data protection rules that came into force in May 2018. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use photos/videos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.

If you change your mind at any time, you can let us know by emailing admin@scotts.havering.sch.uk, calling the school on 01708 457019 or just popping in to the school office.

If you have any other questions, please get in touch.
