

BAYONNE NURSERY SCHOOL

Ethos & Values

We will:

- Work in partnership with parents to promote children's learning.
- Provide a secure, stimulating environment and a planned educational programme
- Encourage each child to achieve their optimum all-round development.
- We are actively committed to the principles of Equal Opportunities.

We aim to help each child to:

- Make progress in all areas of learning
- Develop a responsible and caring attitude towards others and their environment.
- Develop a positive attitude towards school and themselves as learners.
- Become more confident and independent
- Develop their self-esteem.
- Promote British values and promote the diversity of race, culture, beliefs and faiths which the children and their families bring.
