St. Anthony's Moving Forward Again!

Following last week's good news of planning permission for our refurbishment and new classes, this week Southwark Council formally approved our proposal that St Anthony's becomes a two form entry school with effect from September 2012. This means, of course, that an additional 15 Catholic families will have a Catholic education for their children at their first choice school. Many thanks to all parents who wrote letters supporting both

PE and Games

PE is an integral part of the curriculum and yet far too many children miss out on their lessons because they do not bring their kit to school. Would parents please ensure that children's kit is brought to school on Monday. Teachers will ensure that it is returned on Friday to be washed.
