No. 506

## Parent Governor Meeting

Your meeting with Governors is at 7.00 p.m on Thursday 13th October and you are invited to submit written questions to governors in advance of the meeting. If you do wish to ask a question, please address the envelope to Mrs R Stenfalt, Clerk to the Governing Body and leave it in the Governing Body post box adjacent to the School Office.

Following the meeting, Governors would, as always, like to invite you to share a glass of wine with them.

## School Photographer

Our school photographer is in school next Monday 3rd. Please see the letter from Mrs Squire regarding sibling of school age photographs. Families with children too young to attend St Anthony's are welcome to bring those children in from 8.00 am to enable you to have family photographs. Please remember that if you wish your child to have their school photograph taken, they must be wearing their full school uniform.

## Parents Curriculum Workshops

Thanks very much for coming to these workshops, all of which have been very well attended. Across the school, approximately one third of children have had parents in attendance.

Thanks also for the feedback sheets which have been really useful in planning for future events.

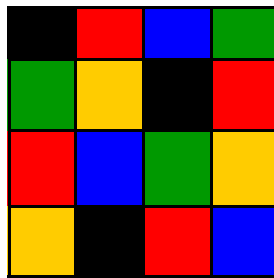

Parent teacher meetings this term are on Tuesday 29th and Wednesday 30th November from 3.45 to 5.45.

## School Website

As you know we are taking over the management of the site ourselves and it will, therefore, hopefully be more responsive and interesting than before. This week we have tried a couple of photographs for the welcome page and I'll print one or two of these in next week's Newsletter. We are currently trialling the software and hope to launch the site very soon.

## Mr Croft's Maths Puzzle

Here is a solution to last week's puzzle (there is more than one). Congratulations Alexandra (St Patrick) this week's winner.

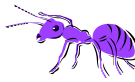

## This Week's Challenge

Ant has 75p. If he had 30p more and Dec had 5p more,

Ant would have three times as much money as Dec. How much money has Dec got?
