

School Mission Statement

St Anthony's School is a voluntary aided, Roman Catholic day school, for boys and girls from age three to eleven.

St. Anthony's School is based on a Catholic foundation

This is shown in the way we strive to offer all pupils, staff, parents, visitors and friends the experience of a loving, caring, learning, playful and worshipping community.

We aim to see Christ in everyone.

Each child will be helped to achieve their social, academic and spiritual potential.

We aim to work, with the children, in partnership with family and parish communities.

We try to support all on their Faith journey in Christ.

We are committed to an equal opportunities policy and stand firm in the rejection of all prejudice.

We strive to develop a community where mutual respect reigns, where value is placed on social and cultural diversity, where personal standards of behaviour and work are high and where all grow to recognise their responsibilities both to themselves and to others.
