Space Centre Special...

Our whole school visit to the National Space Centre on Tuesday was a great success! Some highlights of the day were the Planetarium show, Astronaut; making weather broadcasts; climbing the Rocket Tower and exploring what a black hole does. All classes have been writing recounts of their visit during the week. Here are a couple of examples from our oldest and youngest children – we think it is amazing to see the progression in writing from year 1 to year 6!

Wagtails went to the space centre. Firstly we got to the coach and got on it. Secndly we went to Lester by the coach. Then the lady said we will lead you to the cerntre so we got off the bus and she did lead us. First at h centre we went to the bagige are so we could drop are lunch off. To go to the area into space we had 10 aliens to find we found all of them. Next we had lunch for lunch I had ham sandwiches after that we went to the solar system. in there there was a hand warmer. Next we went to the planatriam to see astronaut. next we gout out of the planatarium to go to the top of t centre there was a roket water blaster. Then we went downstairs to get back on the coach to go home. We went back to school and got are parents.

By Caelen (year 1)

One of my favourite parts was when we got to experience making a weather forecast, in 'Orbiting Earth' and I also enjoyed the Planetarium; even though it made me feel very dizzy and slightly sick. Altogether, it was really fun and informative. My favourite fact (that I learnt) was that we are all made out of stardust. I also found out that Saturn would float on water – if you could find a bath big enough!

By Bethany (year 6)

Dates for your diary...

4th June

School opens – Term 6

4th June

Year 5 maths day

13th June

Year 5/6 residential – Mount Cook

19th June

Year 6 Pitsford water day – letter to follow

23rd June

Country dancing at Welford village fete

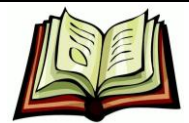

29th June

SPORTS DAY

2nd July

Year 6 transition day – move up afternoon

Reading idea of the week:

Don't forget about our 'Extreme Reading' challenge – enjoy getting stuck into a book over half term!

Woodpeckers would like any old shoeboxes for an art / DT activity after half term – please pass them on if you have any spare.

Don't forget to check our website regularly at www.wsses.com. New content is added regularly, and you can find diary dates, information about uniform, snack, the Cool Milk scheme, school dinners and pupil premium, as well as resources, news and photos on the class pages.
