Through the sign of the cross we follow Jesus

Dear Parents, Carers and Parishioners

Welcome back to what will be an exciting and busy summer term. In our first Worship of the new half term we were reminded that we are all God's family. The children began by thinking who was in their own special families and talked about the way they shared a family likeness, who looked like their dad, who took after their mum. Next the children thought about how they can share the same interests such as enjoying sport or music.

Mrs Winnery read the Gospel of Mark in which we heard Jesus say something amazing. As he sits teaching, surrounded by a large group of people from all different places, families and backgrounds, he tells them that he counts each one of them as a member of his family - God's family. The children reflected on what it meant to belong to this family and how we were called to love, care and show kindness towards others.

God Bless Mrs Winnery

A Message from Mr Bolland – ‘Mr B’

*"What a send-off! What a memory! My humble and sincere thanks to everybody.
You will forget me soon but I will never forget my time at St Cuthbert's."*

ParentPay – Online Payment System (Cashless)

We have now introduced ParentPay for **lunch** payments. Please bear with us over the next week or so, until we can make it a one stop payment centre for all monies that need to be paid to school. At the moment payments by cash or cheque or payments direct into our bank account are still available. At the start of the new school year in September we will be a cashless school.

Free online Safety Workshop

Thank you to those parents who attended the session yesterday morning. More sessions will be arranged for the new academic year. As this topic is vital for our children's online safety please make it a priority to attend one of our future sessions. They include essential information about the content of apps and games that your children maybe accessing, as well as up to date safeguarding information direct from our local PCSO.

Mischief Makers Summer Reading Challenge 2018

Join Bradford Libraries this summer for the Mischief Makers Summer Reading Challenge 2018 for children from 4 to 12 years old.

The challenge is a national initiative to encourage primary age children to continue to read throughout the summer holidays. Research has shown that the Summer Reading

Challenge improves children's enjoyment of reading, as well as their reading range, confidence and motivation and it helps prevent the summer holiday dip in literacy skills.

All our libraries will be involved in the Mischief Makers Summer Reading Challenge 2018, which this year, is celebrating the Beano 80th anniversary. Every child who joins will receive a fold-up poster with six Beano character stickers to collect. There are also bookmarks, colour-in card glasses and wristbands to collect as you read more books. Every child who reads 6 books will receive a certificate and medal complete with presentation wallet which not only marks their achievement but are also fantastic to take back to school in September to impress teachers and friends!

Swimming

We are very fortunate to have our own swimming pool and Swimming Teacher. We think our lessons are remarkably good value. We charge only £15 per full term (normally between 12-13 weeks) which works out at just over £1.00 per lesson. From time to time, due to circumstances beyond our control, we have to cancel our lessons. When we have to do this, we still have to pay for our pool and teacher. To help us keep our swimming pool, even if your child misses a few lessons, we do hope that you will still pay the **£15.00** contribution in full. Thank you to those parents who have paid already for the summer term. If you have not already done so could you please make payment as soon as possible.
