

School Lunches

With effect from Monday 6th November school lunches will be increasing to **£2.30 per day** (£11.50 per week). Unfortunately, due to the rise in food prices we have had no option but to increase the price.

Also, a polite reminder that lunches should be paid for on the day taken or in advance.

If you send your child with a packed lunch please note that we do have nut and kiwi allergies in school, so these items must be avoided.

Thank you.
