We have all our fingers crossed for good weather next week for our sports days! Please ensure children have their correct PE kit, trainers and hat, water and suncream if it is a sunny day. The sports days will finish at 3.30pm and children will be dismissed from the classrooms in the normal way. A small selection of cold drinks will be on sale and there will be a raffle with prizes to be won.

Week commencing June 18th, all classes will be participating in a project called 'Send my Friend to school'. They will be understanding what school life is like for children all over the world and the dangers some children face just to go to school. We will be writing to our local MP to share what we have done and ask for help in ensuring the Government delivers on its promise to ensure schools are safe places.

Mrs Hodgkinson is moving on to new challenges! Mrs Hodgkinson will be leaving us in July to take a new post working with children with special needs in a secondary school. Mrs Hodgkinson has worked at the school for 12 years and I know she has built up a significant relationship with many children and parents over the years in her role as both teacher and SENDCO. We are sorry to lose her and wish her all the best for her new position. We have appointed to fill the position and information about this will be shared at the beginning of the next school year.

A huge well done to all our Year 2 and Year 6 children who completed their SATs assessments last half term. They really tried very hard and we couldn't ask anymore. We are all very proud of them.

Please can all dinner debt be cleared as soon as possible. This is particularly important for Year 6 children - no debt can be in place when the children leave. Thank you.

We have been successful in our Tesco Bags of Help scheme and have won the most votes at the local Tesco store! Thank you to everyone who posted a token into our box. We will update you on when to see the new resources in the outdoor areas in Nursery, Reception and Year 1.

You may have noticed a piano in the school entrance. This has been a kind gift to school from Adam Slater as a thank you for the fundraising we did for the meningitis now charity. We have special plans in place for the piano - more details to follow soon!

Kind regards, Mrs K Falconer, Headteacher
