Dear Parents,

I think the highlight of this week has to be Sport's Day, when every child participated and enjoyed all the different events they took part in. I was incredibly proud of the empathy and sportsmanship they showed to each other. It didn't matter where their team mates came, they congratulated each other and supported each other. I was truly impressed with their attitudes.

The results were very close between all four houses. St. Andrew's were the winning house this year with 80 points. The parents races were enjoyed by all, particularly the children! The family picnic also proved to be a great success aided by the beautiful sunshine.

We participated in two sporting events this week: Year 1 and 2 football and years 3,4,5+6 netball. All the children who took part in the competitions played well, showing determination and again a great sense of team-man ship. The footballers won two matches and drew several. The netballers came 2nd overall, winning the majority of their matches. Well done to both teams!

Year 6 participated in the Church Schools Celebration on Thursday, giving them the opportunity to reflect on their time at their primary school and the next stage of their learning journey.

Thank you to all parents and the grandparent who joined Year 6 in our board game making session this morning! The children thoroughly enjoyed it, a further session to finish their games and for them to be able to play each others will be planned. We wouldn't have been able to do it without you all!

Years 5 + 6 are off to Arethusa on Monday morning for the week. They have lots of fun and activities planned for them and we all hope they have a super week. Please do return any outstanding medical forms. The children are to arrive at Arethusa at 10.15a.m. where they will be met by school staff. The school will seem very empty without them!

Swimming sessions will be continuing after the summer break, until the October half-term (weather permitting). We have ensured that sessions have been lengthened to make up for the missing time whilst our boiler was under repair. Where classes have missed sessions we will endeavour to ensure they are made up for.

**There is to be a meeting on Wednesday 27th June at 2.30p.m. in the school hall to further explain key stage 2 arrangements from September. Do come and join us for that session, where you will have the opportunity to ask any questions you may have.**

Enjoy the weekend!

Best Wishes

*Michelle Cox*
