## Dear Parents/Carers

It has been Phonic assessment week for the children in Year 1 and we are really pleased with the results. The assessment scores have been really pleasing and all the children's hard work in our Read, Write, Inc. sessions have worked their magic - well done Year 1!

We have also sent our Early Years' assessments down the line this week and again we are really pleased with the progress the children have made this year.

The staff have been finding out about the children who will be in their classes next year. As well as the transition afternoons we are running, the staff have spent time after school talking about the children to find out as much as they can about each individual child. It is very important that we make the move as smooth as possible so not only does the child feel comfortable but we know where to pitch learning so we can minimise any lapses in progress whilst they settle into their new class.

On Tuesday and Thursday afternoon we had our induction sessions for the Nursery children joining us in September. Some of these children have not turned three yet and they seem so small but just as in previous years they soon get the hang of coming to school and become an integral part of our school community. When I look at our present Nursery, especially when they join us for assemblies, they have developed so much in the last school year.

Our Year 2 transition visits to the Junior School will start soon. Year 5 will be coming to talk to the children in Year 2 to tell them what it's like in the Juniors. Our Year 2's will also be visiting the Junior school for assembly and playtimes. Parents of Year 2 children will also be invited to the Junior School as part of their transition into Year 3.

Attendance this week (excluding Nursery)  
was 94.06%

Nursery	93.27%

**Well Done to Class 1S who achieved the highest attendance this week!**

To report your child's absence from School. Please report between 8:00am - 9:00am

Call 0121 464 4855/4857 or Text 07900 351 202 after 8:00am. Please leave Child's name, Class and Reason for absence.

On Thursday we had a visit from the Local Authority's moderation team who came to look at Year 2's books and test results to see if they agreed with our judgements. It took all day but we are happy to share that they did agree with our judgements and validated them.

On Saturday we are having a mulch surface laid in the reception play area which will hopefully combat the mud problem when it rains and the dust and sand problem when it's sunny. It will also make it much better and safer for the children to play on.

Can I remind parents to be mindful of their language, as there have been a couple of incidents where adults have been using unacceptable language. I would also like to remind parents that smoking on school grounds is banned and if you do wish to smoke please could you do it away from the school entrance.
