24th April, 2018

Dear Parents/Guardians,

Our school nurse will be visiting during the afternoon on Tuesday 8th May 2018.

If you would like to come and speak with her could we please ask you to fill in the school referral form which can be obtained from reception, stating the reason for your request, you have three options available to you:

- Option 1- You can have a face to face consultation with the school nurse.
- Option 2- You can have a telephone consultation with the school nurse.
- Option 3- The school nurse can meet with your child and have a discussion with them directly about the information you have highlighted on your referral form.

Can you please specify which option you would like in the “reason for request” part of the referral form as this is then passed to the school nurse directly.

This information you provide us on your referral form will help our school nurse to deal with your request efficiently and have the relevant information available for you during your consultation.

Once you have completed the form please return it to the school office and someone will be in contact with you in due course.

Yours sincerely,

Lindsay Thomas – Welfare Assistant
