Souths Wilts Grammar School 11+ Open Afternoons

Five open afternoons will take place at the end of June, when staff will be available to answer questions, and tours of the school by pupils will be organised. The open afternoons begin at 2pm with an introductory talk and finish at approximately 3.30pm. These afternoons are for girls as well as parents. The open afternoons take place on Tuesday 26th, Wednesday 27th, Thursday 28th, Friday 29th June and Monday 2nd July.

HC3S Survey

As your school lunch provider, HC3S are very interested in gaining feedback from parents about our school meals. They would appreciate it if you could please use the link below to complete the short survey.

School Art Gallery

The children are very excited to invite you to an exhibition of their artwork on Tuesday 26th June from 3pm to 4.30pm. This special event will be one of the highlights of the school year and we know the children will be very happy and proud to show you their work. The pictures have been professionally mounted, framed and catalogued, and will be displayed on special boards, allowing you to stroll around our real "art gallery" (the converted school hall) Your child's framed picture will be available for sale at £8 each in support of school fund-raising, providing you with an opportunity to take home a lasting memento or perhaps a gift for a family member. The professionally framed pictures look fantastic.

There is no obligation to buy, so please help make this event special by dropping in between the times shown. We know it will be an enjoyable experience for everybody.

Play trail

Please can we remind parents that children should not go on the play trail on the rear playground before or after school. This should always be manned by a member of staff during school hours.

Tennis

Our Year 3 tennis team enjoyed an exciting day of tennis at Riverside Tennis club, playing in a tournament against other primary schools. Miss Pepperell was impressed by the determination and participation of all the children on a particularly warm day and was very proud of the spirit in which they supported all who took part in the event. Well done to all.

Quad Kids Year 5 & 6

Quad Kids is inclusive of four sporting events: throwing, long jump, running and the relay race. Our team of 10 did an excellent job taking part in all of the events. The children took part in a sprint flat race before completing the 600m run, this was recognised as the biggest challenge of the day by the team. The children were particularly proud of their standing long jump and distance throws, which they celebrated with a floss on occasion! I hope that they will be able to share this knowledge with other pupils before our school sports day. Their certificates of participation are well deserved.

Make Music Day

This year we are taking part in Make Music Day on Thursday 21st June. This is an international event that people take part in all over the world. The children will spend the day making music, learning about different genres and learning some basic music technology.

To celebrate music as a school community we would like you to get involved. You are invited to a sing-a-long assembly at 2.40pm in which we will all be singing along to some famous songs that the children have learnt. This will be anything from The Beatles to One Direction so anyone can come along and join in. Feel free to come and join the children singing or just to listen to the songs we have been learning at school

Well done Year 1

Well done to all the pupils in Year 1 that have completed their phonics screening test. They were all very focussed and worked hard throughout the sessions. We look forward to finding out the pass mark threshold and then sending home the details to all parents in July.

Attendance

Pipers	89.50%
Tiger Moths	99.00%
Harriers	97.65%
Hawks	92.22%
Tornados	87.59%
Falcons	90.00%
Lynx	95.71%
