FOOD SAFETY

As we have children in school with severe nut allergies, who carry an EpiPen, we are a completely nut free school. We are still finding children bringing nut products into school via their packed lunch.

Please do not send any form of spreads, or snacks that contain nuts into school.

May we also remind you to cut grapes lengthways as they are a recognised choking hazard. Please do not send in juice in your child's water bottle.

Thank you

Sickness in school

We would like to address the vomiting and diarrhoea bug which affected the school two weeks ago. By the Friday it became apparent that we had a bug in school which quickly affected a number of pupils but the amount affected was not in the hundreds, as reported in the local newspaper. The school dealt with it by implementing the following:

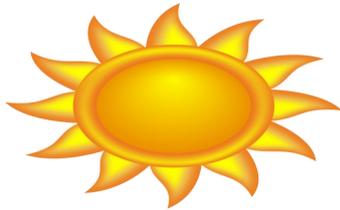

We had a deep clean on Friday night, we closed all the water fountains, we stopped all sand play, water play etc. We also stopped the Infant children helping themselves to the fruit and staff were handing it out. We liaised closely with the public health department who reassured us that we were dealing with the situation correctly.

Unfortunately bugs like this can and do spread round schools very quickly. Please be assured that the cleaning team keep the school clean and staff regularly remind the children to **always** wash their hands after going to the toilet.

We also rely on you the parents/carers to work with us when your child is ill. We have to insist that the children stay away from school until they have been symptom free for **48 hours**.

If your child is unwell please can you inform the school by 9am, and continue to keep us informed daily if they are staying off more than one day.

If you have any further questions please do not hesitate to contact the school. We thank you for your continued support.

All Saints' Church Summer Fair

A FEW REMINDERS

Every week we receive calls from parents who are reporting missing jumpers, cardigans, etc.

We do our very best to locate them and return them to the right child but our job is made very difficult if items are not named.

Please can you name everything that your child brings into school, lunch boxes and water bottles included.

If you are signing your child in late for school please complete the book with a full reason for lateness, writing 'late' is insufficient information for the records that we need to keep.

We thank you for your continued support.

Bikes and Scooters

Please DO NOT let your children ride their bikes and scooters whilst they are in the playground.

We have had another incident this week of a child being hit by another child riding a bike.
Thank you.

Well at last it seems as if our summer weather has arrived! The children need to be wearing sun cream and bringing a suitable sun hat as well as bringing water in daily.

Please do not send your child into school with sun cream in their bag, it must be applied before school.
Thank you

World Cup Fever

What a fabulous day we had at Juniors on Friday.

Celebrating the world cup with classes taking part in a tournament between the houses.

The children had a great day!
