Permission for local visits/walks

We often go for short walks in the local area as part of our topic work, e.g. walk to Hinchliffes, walk around Netherton Village, visits to other nearby schools.

Tick to consent for your child to take part in local walks	<input type="checkbox"/>

Permission for photographs and videos

Occasionally, we may take photographs of the children at our school. We may use these images in our school's prospectus or in other printed publications, as well as on our website and social media. We may also make video recordings for school training or other educational use.

From time to time, our school may be visited by the media who will take photographs or film footage of a visiting dignitary or other high-profile event. Pupils will often appear in these images, which may appear in local or national newspapers, or on televised news programmes.

If we use photographs of individual pupils, we will not use the full name of that child in the accompanying text or photo caption. We may include pictures of pupils and teachers that have been drawn by the pupils. We may use group or class photographs or footage with very general labels, such as 'a science lesson' or 'making Christmas decorations'. In some cases, media organisations may ask for the full name of a student if that happens we will seek consent from the parent/carer in each case.

We will only use images of pupils who are suitably dressed, to reduce the risk of such images being used inappropriately. Websites can be viewed throughout the world and not just in the United Kingdom where the law applies.

Please tick where you consent to allow us to use photographs / videos of your child
