Dear Parent of

Congratulations on your child being allocated a place at Netherton Infant and Nursery School!

Introductory Meeting

We would like to invite you to a meeting to find out more about the starting arrangements for September.

The meetings will be held on **Monday 19th June 2018** at **9.00 am** or **Wednesday 20th June 2018** at **6.00pm**. Both meetings will give you the same information so please choose which date and time are most convenient and let us.

We will be giving out your information starter pack and a short presentation about your child's transition into Reception. This meeting is an information session only and **NOT aimed for children**.

For those of you who are unable to attend either of the meetings, your information packs will be available to pick up from the school office from the 21st June up until the end of term on 20th July.

Visit

We would also like to invite children **who are not attending our Nursery** to visit school during the week beginning 25th June 2018. This is an hour long visit to give your child an opportunity to meet the staff, explore Reception and for you to ask any questions. **You must stay with your child during this visit**. Please email or ring school to make an appointment on one of the listed dates and times below. Time slots will be allocated on a first come first served basis.

Transition Visit

On **Tuesday 3rd July 2018** we would like to invite your child to come into school to spend some time in their new classroom, with their new classmates. **You do not stay for this visit.**

For children already currently on roll in our Nursery, please drop your child off at 9.00am as normal. For all our brand new children, you are invited to drop your child off with us at 9.30am at the main entrance to school.

Lunch - At 11.45am you are invited into school to share a school lunch **with your child**. If you do not want to take part, this will be the time to collect your child and take them home. Please come to the main entrance of school to sign in for your school lunch. We will bring the children up to you. If you are collecting your child to take them home, please collect them from the classroom door, which is round the back of school.

The cost for a child dinner is **FREE** and for an adult dinner **£2.54**. We regret that we only have space to offer a place for your child and **one parent** per family. There will be a meat and vegetarian option available.

If you could send in the money for this as soon as possible, we will be able to order the extra food required. Please also inform us if you will require the vegetarian option.

We look forward to meeting you.

Yours sincerely,

Karen Beattie
