# AUTISM SUPPORT PROGRAMME

**An informative,  
interactive programme  
to help you to  
understand  
your child**

*Working for  
Warwickshire*

The Autism Support Programme is for parents and carers of school age children who have received a diagnosis of an Autism Spectrum Disorder and are attending a mainstream school.

There are 4 group sessions held locally on the same day each week.

The programme is run by **Act for Autism** in collaboration with Warwickshire Specialist Teaching Service.

'Trainers from '**ACT FOR AUTISM**' are highly regarded in the UK and some are also parents of children with autism. Young people/adults with autism may also form part of the delivery team.
