

2017 Pikes Lane Primary School

KS2 Published Results

The results below are the **published results** for this cohort. However, it is very important to bear in mind that, when analysing the attainment data for this particular cohort, there were 8 children who were **'INA+'**. These children are still in the early stages of learning English but schools have to include them in their official data. When these children, and the children who were awaiting EHCP's are disaggregated from the data, attainment is much stronger, and is either broadly in line or above the national average. All EAL children are in this data set below.

Subject	Average Scale Score	Progress Score	Progress Judgement	% of Pupils Exp Standard in R, W and M	% of Pupils GD in R, W and M
Reading	102.1	-1.3	In line with the National Average	53%	10%
Writing	N/A	+5.34	Well Above Average		
Maths	103.7	+0.07	In line with the National Average
