

Walk to School Week Monday 21st May to Friday 25th May 2018

18th May 2018

Dear Parent/Carer,

We are excited to be taking part in **Walk to School Week Monday 21st May to Friday 25th May 2018.**

We would like to encourage all our pupils to try and walk, cycle or scoot to school during this week. If it is not possible to walk all the way then it would be great if you could park ten minutes away from school and walk or scoot the last part of your journey.

Each class has a poster of the Earth and every time a pupil travels sustainably a sticker goes on the poster. The aim is to take a virtual walk around the Earth to help Buster the dinosaur walk from one side of the Earth where it is very built up and has lots of vehicles and congestion, to the to the other side of the Earth where children are actively travelling to school by walking, scooting or cycling.

We all know the benefits of walking so please help us this week to reduce congestion, support children being more active and lower carbon emissions during this **Walk to School Week.**

Following on from this we will be supporting **Clean Air Day** on Thursday 21st June 2018, more information will follow closer to the date.

Yours sincerely,

Jon Hood
Headteacher
