

Foundation Stage Sports Morning

Wednesday 20th June 2018

Tuesday 12th June 2018

Dear Parents/Carers,

The foundation stage sports morning is taking place on Wednesday 20th June 2018 from 9am to 11:30am. Please ensure your child is in school for 8.30am dressed in full PE kit and the coloured t-shirt representing their house team (black shorts, trainers and house coloured t-shirt). Please note that school shoes, boots and sandals are not acceptable.

All children are part of a house group in school. Their team, on sports day will reflect the same house that they have been a part of since September. The houses are as follows; Ruby - red, Sapphire - blue, Topaz - yellow & Emerald - green.

Parent/carer spectators are welcome to come and support the children throughout the morning. We ask that spectators arrive at school for 9am and wait by the edge of the field for the children to come out. During the morning the children will go around in small groups, accompanied by a member of staff as well as year 6 sports leaders, to compete in a carousel of sports events.

Following the event, each child will receive a certificate, celebrating their participation in the sports morning.

All children will be having a picnic lunch at 11.30am. If your child has a school dinner and does not require a school packed lunch please inform the office. Parent/carer spectators are welcome to stay and have lunch with us in the reception/nursery playground.

Reception children will remain in school as normal, being collected at 3.00pm. Nursery children can go home after the picnic lunch if you wish or they can remain in school until 3.00pm.

Please ensure your child has a water bottle, suntan lotion and a sun cap.

Yours sincerely,

Mr Farrell
PE Subject Leader
