Woodpeckers Class

As many of you will already be aware, Mrs Thomas, Woodpeckers' class teacher, is not yet back at school. Unfortunately, she is still in need of further recovery time from her surgery, and in the meantime Mrs Miller will continue to teach Woodpeckers class. We will keep you as informed as we can about Mrs Thomas's expected return to work, and I am sure you will join us in wishing Mrs Thomas well.

Parents' forum

On June 27th, our Governing Body will be holding a Parents' Forum, where you are invited to come and find out more about what goes on in school, and ask questions or air your views about any issues that you would like to know more about. In addition, there will be a display of outstanding children's work across all age groups, so that you can see the progression that is made from class to class, and find out more about the expectations in each year group. This is a really valuable opportunity to find out more about the workings of the school, and we hope to see as many as possible of you there.
