On Monday we were fortunate enough to find out more about honey bees. We were able to watch them moving and building inside a glass hive. We also completed many activities which helped us to consolidate our understanding.

A group of Miss Dowling's class took part in a 'Tri-Golf' event at Tarleton Academy on Monday evening. Thank you to Miss Dowling and our parents for their support.

On Tuesday we welcomed a group of children from Belarus to our school. They experienced a school dinner, made clay tiles and played rounders with some of our children.

On Thursday Mrs Britton's class visited the Ironbridge Museum. They looked at the museum and the 'working village' as well as experiencing old fairground rides.

Stars of the Week

Nursery – **Ollie** for being so kind by sharing his toy with his friend because his friend was sad

Reception: **Joshua** for helping the Nursery children with their numbers during carpet time
