- Wednesday 18th July**
Y1 & Y2 Meet the Teacher 5pm

SPOTLIGHT ON:

Y6 MAKE YOUR £5 GROW

MAKE
£5
GROW

On Friday 15th and Monday 18th June, Year Six pupils held their enterprise fair as part of Virgin Money's 'Make £5 Grow' project. The scheme gives young people aged between 9 and 11 years old the experience of starting a small business using a £5 loan from Virgin Money. As well as being great fun, the programme gave pupils an insight into how business works and helped them to build skills for the future, such as team working, problem solving, leadership, money management and creativity. The event, now in its fifth year here at Biddick, was a great success. Key Stage One and Two enjoyed the stalls and attractions and Year Six made a whopping £517 profit! Well done to our Year Six entrepreneurs!

SPOTLIGHT ON: Y2 GO WILD!

Y2 had a *ROARSOME* day celebrating their topic – 'Go Wild.' They all came in dressed as their favourite animal and brought in a project they had created at home. They spent the morning sharing their projects and sewing animal puppets. We had some real experts. In the afternoon they came together as a year group and enjoyed some wild snacks and a movie.

SPOTLIGHT ON: Y5 SCIENCE PROJECTS

We had so many out-of-this-world space projects returned to school by Year Five. A lot of tin effort and dedication has clearly gone into the projects produced by Year Five!
