This weeks Earth Award Winners

## NSPCC workshops

This week we have had our annual visit from the NSPCC to ensure all our pupils know where and who to go to if anything is worrying them.

You should have received home a sponsor form to support your child in a fun maths activity that they will be completing over the next two weeks. If everyone can raise just £1 each that will be helping to ensure more children can be kept safe.

Thank you in anticipation of your support

Please can we remind parents that nail varnish and makeup do not form part of our uniform policy and should not be worn to school. Earrings should be in stud form and need to be removed for PE. Head bands should be 'discreet' and not big bows, cat ears or flowers.

Thank you

## Secondary School Allocations 2018

Following the reallocation process these are the new figures for our current Y6 pupils leaving us in summer. All our pupils are now in the school of choice.

|  | Ryburn Valley High | Brooksbank | Crossley Heath | North Halifax | Calder High | Trinity Academy Halifax |

If any parents in Y5 still need any more information with regards to options for next year, please call in to see me anytime. I have received a letter this week from the Chair of Governors of Ryburn, explaining they are increasing their pupil numbers from September 2018 to 265 to allow more pupils from feeder schools to gain a place.

## IMPORTANT INFORMATION....

We have been asked by Calderdale Safeguarding Team to inform parents who allow their children to walk to and from school alone to remind them about what to do if approached by a stranger.

We have received a notification to alert parents about an attempted abduction of a Y5 pupil near the Halifax/Bradford border whilst he was walking to school this week.
