SCHOOL NEWS

Only 3 weeks until Sports Day and we have everything crossed for appropriate weather. The format of the day is that children arrive at the usual time and get changed into their PE kits. Parents, grandparents, other family members and friends are warmly invited to arrive between drop off time and 9.20am ready for a 9.30am start. (Feel free to bring fold up chairs and picnic blankets for your comfort.)

The first part of the morning consists of team events and we encourage you to follow your child's team around the events.

We will then take a break. The children will go into school for refreshments and The Friends of St Edward's School will serve tea, coffee and ice-creams to spectators. They will also run a raffle. After the break the running events will take place.

There will be races for parents and toddlers so don't forget to pack your trainers.

The sports event will draw to a close around mid-day, you are then invited to remain at school to share lunch with us on the field. You can order a lunch from our kitchen, Becky will provide the usual hot dog lunch (details to follow). Alternatively you can bring a picnic lunch. Lessons will begin again at 1pm.

We look forward to seeing you.

This week our Sharing
Assembly Focus was:

Midsummer's Day

The music we have been
listening to was:

Midsummer Night's Dream
By
Mendelssohn

SPECIAL VISITORS

Earlier this week we welcomed Community Support Officers Linda Thomas and Dave Baron to talk to the children about keeping safe and, in particular, staying safe in Church Road when walking, cycling or using a scooter. They also talked to Osprey class about staying safe in the local community and who to contact if they feel worried.

HELP! SUPERHEROES NEEDED!

We have an extensive list of jobs that need doing in our outdoor area before our open afternoon and we need your help.

We are looking for any parents/ grandparents that would like to come and work with their child/grandchild to help us complete our outdoor area.
