

Crick Primary School Newsletter

22nd June

It's been a busy few weeks!

The year 5 & 6 children are busily practising their rendition of Treasure Island- the dodgy pirate accents will be worth the ticket alone! We have been welcoming our new intake into school, completing phonics tests, having visits from the police and musicians, open afternoons and become recording artists and we're not even half way through the term!

School CD

All of the children have now recorded their class song onto our soon to be available CD. We even managed a whole school song at the

end, and it only took us 3 takes! Thank you to Miss Simpson for organising this and to all the staff and children who worked so hard on their songs.

Wriggle Dance

Some of our year 3 & 4 children have started to learn their pieces for the Yelvertoft performance on Saturday 14th July.

Phonics Screening

Well done to all of our Year 1 children who took their phonics test last week. Mrs Faupel and Mrs Rhodes were really proud of the children and how hard they all tried. The children's results will form part of their end of year report.

Police

Thank you to Mr Ball who came in to school this week with his police car to talk to the children. They had a wonderful time trying on hats, sounding the siren and hearing about how the police can help them.

Reception children 2018

It was great to meet some of our new reception children and their families last week. We have also started to have our new children coming in to spend some time in school and they seem to have taken this all in their stride. We currently have 31 children on roll to start our school in September and we look forward to welcoming them.

Transition Days

The Year 6 children have now had a visit from both Guilsborough Academy and Lawrence Sheriff Schools to begin the transition for them. Guilsborough transition day is being held on 2nd July, information regarding this was sent via email. All of our other year groups will also spend this day in their new class with their teacher for next year. All staff will be in their classrooms after school on this day, please pop in and meet them or have a look at the classroom.

Open Afternoons

We've had a few this week! Thank you to everyone who came along to these and joined in with the activities. We really hope that you enjoy coming in to see a little bit of what goes on when the children report they have done "nothing much"

Music

The children enjoyed listening to a Strings recital from NMPAT this week. We also held a music assembly, where we invited the children who have music lessons in school to perform. Well done to everyone who was brave enough to stand up and play, you were all fantastic.

Governors

Some of the governors have been in school this week finding out more about Phonics and about what the children do in these lessons and what they need to learn. Last term they looked at Writing in our school to find out more about how we support the children with this area of the curriculum. The governors will be writing a newsletter each term to let you know a bit more about their role in our school. We will also shortly be adding some photos

and background information for each of our governors onto our website.

Hot lunches

If you have booked a hot meal for your child and your child is away from school then could we ask that you please cancel it, even if your child receives a Universal Infant School meal (Reception, Y1 & Y2). If the meal is not cancelled and is not eaten by the child then we get charged for it- thank you.

Lost Property

It's huge!!! Please come and take a look for nay lost items. It will all be emptied at the end of term so any mislaid items will be gone

FOCS BBQ

Friends of Crick School would like to invite you to an end of year BBQ to be held on 6th July from 6pm-10pm. Tickets are £2.50.
